Raiders Start Baseball Friday

The Appomattox Raiders will open their 1971 Baseball season tomorrow, (Friday) March 26. They will be on the road as they go to Staunton River for a district game. Their first home game will be played on Tues., March 30, when William Campbell High School will be in town for a district game, also.

Game time for Staunton River game is 4 o'clock. The William Campbell game is set for 4:30 p.m.

The Raiders will play a 16 game schedule this year. The team this year is coached by Mr. Jerry Robinson.

Raiderettes Open Season Tuesday

The Appomattox Raiderettes, under the coaching of Mrs. Louise Martin, will open their 1971 softball season on Tues., March 30, when they travel to William Campbell for a game. They will play two more games away before playing at home on April 13.

Game time for the William Campbell game is 4:30 p.m. Their first home game is to be played at 4 p.m.

Covington Joins Pamplin Shop

John B. Covington, of Pamplin, formerly a mechanic for Moses Motor Company, has joined Charlie Seamster at Seamster's Repair Shop, Pamplin, offering complete repair service. Charlie Seamster says that the addition of John Covington as a qualified truck mechanic means that customers can have complete repair service for automobiles, trucks and farm machinery. Also, log loaders built and installed. Seamster's Repair Shop is located on Route 460, two miles west of Pamplin. Hours are 7 a.m. to 9 p.m.

FFA Speakers To Compete At Gretna

The 44th Annual Southside Area Future Farmers of America Public Speaking Contest will be held in the Gretna Junior High School Wednesday afternoon March 31. Winners of six federation contests will participate.

Each contestant will make an eight-minute talk on an agricultural subject and respond to questions on this topic by the judges. The winner will represent the Southside Area in the state finals at Virginia Tech in June.

A. L. Farrar, agricultural education instructor in the Gretna Junior High School, is in charge of local arrangements. Judges will be agricultural education teachers from the six federations of the fifteen-county area.

The Amherst - Appomattox - Campbell Federation will be represented by Larry Eades, William Campbell High School.

STONEWALL HD CLUB

The Stonewall HD Club held its regular monthly meeting Thursday, March 11, 1971 at the home of Mrs. Hallie Roope with 12 members and 2 visitors present. This was a luncheon meeting and Miss Lelia Mayton and Mrs. Becky McGeorge gave a most interesting demonstration on Fondue Cookery.

The business meeting was called to order by Mrs. Helen Thomas, President. She welcomed Gloria Gunter and Eleanor Stratton as new members and welcomed back Nellie Krause, who has been unable to attend for some time.

Mrs. Rebecca Bondurant gave the devotions.

We were reminded of the following meetings within the coming weeks that would be of interest to us as homemakers.

Fri., March 26 – There will be a 4-H Share the Fun program at Appomattox Intermediate School at 7:30 p.m. All were urged to attend.

Thurs., March 25 – Leader Training Meeting on Community Beautification at the Home Demonstration Office.

Tues., March 30 – There will be a Handwork Workshop at the Rescue Squad Bldg. from 10 a.m. to 3 p.m. and a night session from 7:30 to 9 p.m.

Thurs., April 15 – District III meeting will be at King of the Sea Restaurant in Danville, Va. Miss Mayton reminded us that tickets to this meeting must be purchased on or before April 6th.

Wed., March 24 – There will be a Shoe Covering Dem. at 9:30 a.m. We will be shown how to recover and restyle old shoes.

Wed., April 28 – A Blender Demonstration at Rescue Squad Bldg. This will show us the use and care of a blender and receipes.

Miss Mayton asked us to continue to send in suggestions for workshops, special interest meetings, etc.

Hallie Roope discussed the cancer program, of which she is in charge, and urged that all members have a check up and cancer smear. There will be a film shown on this at our next meeting.

Judy Elliott, Federation Program Chairman, gave a most informative program on keeping our homes neat and free from clutter. Much discussion was had on this.

Mrs. Thomas advised us that the HD Clubs of the county are attempting to make up a history of Appomattox County and ask that any information we may have on historical places please send to her or Miss Mayton.

We discussed the Fireman's Carnival, to be held the latter part of April, and we were asked to make pies for this event. A list was taken of all who would make pies and serve at the carnival. This is to be held at Concord School.

Becky McGeorge gave a most interesting demonstration on "Bringing Your Wardrobe Up To Date." She discussed ways to modernize last years clothes; how to use accessories such as belts, old jewelry, etc.

Our meeting was adjourned with the Homemakers Creed and Prayer.

Annual Progress Report of Robert E. Lee SCS District

Ed Dickerson, former Conservationist, Appomattox inspects large gully near Appomattox. At one time much of Appomattox County was badly eroded. Gullies keep streams muddy. It's hard to find a gully such as this any more. You can't find this gully any more either. It has been graded and seeded to permanent cover. Good cover gives clearer streams.

The Robert E. Lee Soil and Water Conservation District at its monthly meeting. (Front row, l to r): Jim Rea, Chairman, Cumberland County; Allan Hunter, Secretary, Campbell County; Joseph Gilchrist, Amherst County; Hunter Evans, Campbell County; Russell Upshaw, Assistant Secretary, Campbell County; and Charlie Rush, Appomattox County. (Back row): John Buschmann, Treasurer, Buckingham County; Eldridge Sanderson, Second Vice Chairman, Cumberland County; Ralph Tucker, Vice Chairman, Amherst County; Hubert Goodman, Cumberland County. (Not pictured): Harold Bailey, Assistant Treasurer, Buckingham County; Dan Coleman, Appomattox County.

Sammy Wallace of Mecklenburg county, braves a thunderstorm to watch a sodwaterway really work. The water stays clear. This clear water never touches the soil. It runs down this constructed sodwaterway on a "carpet of grass." If all soil was protected this well our streams would stay clear.

Roadbank Seeding to reduce silk pollution as part of watershed project in Appomattox County.

Alvin LeSuer, Buckingham County, constructed the sewage lagoon to serve his swine operation. Mr. LeSuer other farmers have controlled pollution by preventing waste from being discharged in the stream.

Watershed protection projects, such as this reservoir on Little Falling River near Red House, prevent flooding, catch eroded material, help recharge ground water, and benefit wildlife. The hundreds of farm ponds in the area give similar public benefits. Recreation, irrigation, and water for livestock are additional benefits. Guests of the Farmer - Banquet Tour inspect watershed reservoir near Red House.

SPOUT SPRING

The Spout Spring HD Club will meet in the home of Mr. and Mrs. Hunter Jamerson, Thursday, March 25, 1971 at 7 o'clock. Mrs. Harry Reynolds will give a demonstration on "Up Dating Your Wardrobe." All members are urged to attend. Guests are also invited to attend by the president, Mrs. Barbara Heifner.

Mr. and Mrs. Jerry Harvey, Shawn and Jerry, Jr. moved into their new home Friday. Their mobile home was destroyed by fire last November. We wish this family good luck and happiness in their new home.

Mr. and Mrs. David Cyrus spent several days last week in the home of their son, Dave, Jr. and family in Charlotte, N. C.

Glad to report Mr. W. E. Layne continues to improve at his home here. Those who called to see him recently were Mrs. Colena Roberts and Mrs. Mattie Wooldridge of Concord, Va.

Leaflets On Set-Aside Farm Program Now Available

Question –and –answer leaflets on the 1971 set-aside programs, and answer questions on price-support levels, payments, bases and allotments, conserving uses, substitution, compliance, and other program details.

"Producers who intend to sign up for this year's new farm program or who are considering signing up will find these leaflets a handy reference," said J. P. Alvis, Jr., Chairman of the Appomattox County Agricultural Stabilization and Conservation (ASC) Committee. "If they did not receive them in the mail by March 22, they may pick them up at the County ASCS Office, or ask for leaflets to be mailed to them.

"We have a sufficient supply for other interested persons, too. Agri-business people, teachers, students, or anyone who wants a quick rundown on details of the new farm programs under the Agricultural Act of 1970 , should ask the County ASCS Office for these program leaflets," Mr. Alvis said.

He reminded farmers that sign-up period for the feed grain, wheat, and cotton programs continues through April 9 at the County ASCS Office, and said farmers usually find it convenient to request measurement service at the same time they come in to sign up for the programs.

* * *

...Harvey called the other ...ask about Kentucky 31 ... Fescue as a lawn grass.

Fescue does a real good job if it's seeded heavy. By heavy, I mean 5 to 6 pounds per 1000 square feet.

Fescue will stand dry weather better than bluegrass because it has a larger root system. On the other side of the coin, it's a coarser grass.

If you'd like to compare bluegrass with Kentucky Fescue go out Route 633. Ken Richardson has a fescue lawn and Glenn Morris across the road has a bluegrass lawn. They are both well above average and well cared for.

* * *

Raymond Archer was re-elected Vice - President of the South Central Feeder Pig Association last Thursday.

Since the pig sales began last August in Farmville, 3517 pigs have been marketed.

CANAAN BAPTIST

The program last Sunday was really a success. The sponsor was the Canaan Jr. Choir. The Mt. Airy Jr. Choir was in charge of the opening . Miss Bernice Ackers served as Mistress of Ceremony, scripture by Master Lacy Webber, Jr., prayer by Mr. Raymond Ackers, welcome address by Miss Genester Hancock, respond by Miss Louise Culpepper of the Jordan Baptist Church and the offering was lifted by Miss Sandra Hancock Master's Dennis Hartman and John Scruggs, Jr.

Again the Canaan Jr. Choir would like to thank each choir and their church which made this program a success.

The program given the third Sunday in this month, sponsored by Mrs. Gladys Evans and Mr. and Mrs. Hillard Morgan, Mrs. Evans was representing the month of March. We are very sorry it was not in last week's news.

For Christ is the end of the law for righteousness to everyone that believeth. Rom. 10:4

ARM SERVICE

"Lots of people give the Bloodmobile 'lip service' but what we need is more people who'll give it ARM SERVICE," says Jim Beaty, of Appomattox. Jim says, "I feel I can say this because I do give the Bloodmobile ARM SERVICE by donating blood." Everyone gets the same opportunity on Tues., April 6 at Liberty Baptist Church 12 noon to 6 p.m.

ADVERTISE BIDS FOR TIMBER

Sealed bids for the purchase of a boundary of timber located on the Appomattox County Forest, Appomattox County, Va., will be received at the clerk's office, Appomattox Court House, until noon, April 8, 1971.

This block is approximately 50 acres in size and located north of Route 632 west of Appomattox Court House. The timber consists of pulpwood and sawtimber of various species.

WHICH IS THE BETTER GIFT?

The Reverend A. L. Eastman, minister of Memorial United Methodist Church says, "I've heard a lot of people say they'd rather give their money than their blood. But I feel just the opposite. When I donate a pint of blood I'm giving a part of myself to help somebody, not a part of just my bank account. That's why I'll be donating blood again on April 6, 1971." How about you? The Bloodmobile will visit 12 noon to 6 p.m. at Liberty Baptist Church.
